

Voter Registration Presentation 2014

Maricopa County Recorder Elections

- Voter Registration Basics
- Citizenship Requirements
- Filling out the State and Federal Voter Registration Form
- Insufficient Forms
- Information Resources

The Basics:

- Registration deadline is 29 days before each election.
- Voters may register at anytime—but if it is after the 29th day they are not eligible to vote in that election.
- Voter moved from within AZ after 29th day: They will need to request a ballot from their former county.
- Voter moved from out of state after the 29th day: in a Federal Election the voter will want to contact their previous election's office and find out what that state's policy is (voters who move from Arizona to another state after that state's deadline can request Federal Only Ballot be mailed to them).

The Basics:

- We request that individuals registering voters turn in the registration forms to the County Recorder/Elections office within 5 days of their completion. (This is the legal requirement for all government agencies.)
- There are 4 election dates a year and if you don't turn in the registration forms you can disenfranchise voters!
- Please be timely.

The Basics:

- Requirements to register to vote:
 - United States Citizen
 - ***Resident of the State of Arizona and the County listed on the registration***
 - 18 years of age or older by the date of the next General Election

Residency

- The residency requirement to register to vote is that you are here and registered by the 29th day before the election and have intent to remain.
- However, there are other state residency requirements that need to be taken in to consideration when deciding if the person wants to register here.

A.R.S. § 16-593

A. The election board, in determining the place of residence of a person, shall be governed by the following rules, so far as applicable:

1. The residence of a person is that place in which his habitation is fixed and to which he has the intention of returning when absent.

2. A person does not gain or lose his residence by reason of his presence at or absence from a place while employed in the service of the United States or of this state, or while engaged in navigation, or while a student at an institution of learning or while kept in an almshouse, asylum or prison.

3. A person does not lose his residence by leaving his home to go to another county, state or foreign country for merely temporary purposes, with the intention of returning.

4. A person does not gain a residence in any county into which he comes for merely temporary purposes, without the intention of making that county his home.

5. If a person removes to another state with the intention of making it his residence, he loses his residence in this state.

6. If a person removes to another state with the intention of remaining there for an indefinite time, and of making the place his present residence, he loses his residence in this state, even though he has an intention of returning at some future period.

7. The place where a person's family permanently resides is his residence, unless he is separated from his family, but if it is a place of temporary establishment for his family, or for transient purposes, it is otherwise.

Residency & MVD

- In order to register to vote the applicant must be a resident.
- If registered to vote in Arizona they are also required to register their vehicles here & get an Arizona Drivers License.
- From MVD website/A.R.S.§§ 28-2001:

If I am registered to vote in Arizona, am I required to register my vehicles in Arizona as an Arizona resident?

Yes. If you are a resident of Arizona, you must register your vehicles in Arizona. A resident, for the purpose of registration and operation of a motor vehicle, is defined as:

- A person who, regardless of domicile, remains in this state for an aggregate period of seven months or more during a calendar year.
- A person who places children in a public school without payment of nonresident tuition.
- A person who declares that the person is a resident of this state for the purpose of obtaining at resident rates a state license or tuition fees at an educational institution maintained by public monies.
- A person who engages in a trade, profession or occupation in this state or who accepts employment in other than either:
 - Seasonal agricultural work.
 - Temporary seasonal work for a period of not more than three months if the state in which the temporary seasonal worker is permanently domiciled has a similar exception.
- An individual, partnership, company, firm, corporation or association that maintains a main office, a branch office or warehouse facilities in this state and that bases and operates motor vehicles in this state.
- An individual, partnership, company, firm, corporation or association that operates motor vehicles in intrastate transportation, for other than seasonal agricultural work.
- A person who is registered to vote in Arizona.

Live here more than 7 months out of the year = vehicle registration.
Register to vote here = vehicle registration.

Residency & MVD

28-2001. Definitions

A. "Resident", for the purpose of registration and operation of motor vehicles:

1. Except as provided by paragraph 2, means the following:

(a) A person who, regardless of domicile, remains in this state for an aggregate period of seven months or more during a calendar year.

(b) A person who engages in a trade, profession or occupation in this state or who accepts employment in other than either:

(i) Seasonal agricultural work.

(ii) Temporary seasonal work for a period of not more than three months if the state in which the temporary seasonal worker is permanently domiciled has a similar exception.

(c) A person who places children in a public school without payment of nonresident tuition.

(d) A person who declares that the person is a resident of this state for the purpose of obtaining at resident rates a state license or tuition fees at an educational institution maintained by public monies.

(e) An individual, partnership, company, firm, corporation or association that maintains a main office, a branch office or warehouse facilities in this state and that bases and operates motor vehicles in this state.

(f) An individual, partnership, company, firm, corporation or association that operates motor vehicles in intrastate transportation, for other than seasonal agricultural work.

(g) A person who is registered to vote in this state.

2. Does not mean:

(a) A nonresident owner of a foreign vehicle that is registered and licensed in a state adjoining this state and that is used in this state for other than the transportation of passengers or property for compensation, if the nonresident owner and vehicle are domiciled in an adjoining state but within twenty-five miles of the border of this state and if the state in which the owner resides and in which the vehicle is registered exempts from payment of registration and weight fees like vehicles from this state, regardless of whether the nonresident owner engages in a trade, profession or occupation in this state or accepts employment.

(b) An out-of-state student enrolled with seven or more semester hours regardless of whether the student engages in a trade, profession or occupation in this state or accepts employment in this state. For the purposes of this paragraph, "out-of-state student" means either:

(i) A person who is enrolled at an educational institution maintained by public monies and who is not classified as an in-state student under section 15-1802.

(ii) A person who is a student at a private educational institution and who would not be classified as an in-state student under section 15-1802 if the student were attending a public educational institution.

(c) A nonresident daily commuter as defined in section 28-2291.

Ask the voter:

- Keeping DL from another state?
- Keeping car registered in another state?
- Do they intend to return to the other state?
- Then not a resident—apply to vote absentee from your home jurisdiction.

Snowbirds

- If here for more than 7 mos (or have the intent to remain) they are considered residents; less than 7 mos they can still register, but need to update DLs & change over vehicle registrations (A.R.S. §§ 28-2001).
- Also negates registration in other state—they need to provide that on the registration form.

Students

- School year is 9 mos long at most colleges/universities, ***qualifying them as residents to register to vote in Arizona*** if they intend to stay in Arizona—also need to get AZ DLs & register their vehicles here (if they are the owner-- A.R.S.§§ 28-2001).
- Claiming residency can impact some student's scholarship/grants/aid situations from their home state so students should be sure they want to vote here and not back home.

The Basics:

- **Cannot** register if:
 - Not a United States Citizen (permanent resident **does not** qualify)
 - Convicted of more than 1 felony and have not had civil rights restored. (If it is the first conviction, the individual may re-register once all probationary requirements are met. Rights are not automatically restored if it is the second felony conviction or more, the court must be petitioned.)
 - Adjudicated incompetent and have not retained their civil rights.

Power of Attorney

- A.R.S §16-102. Power of attorney; prohibited use
- *A power of attorney or other form of proxy is not valid for use by a person in any procedure or transaction concerning elections, including voter registration, petition circulation or signature, voter registration cancellation, early ballot requests or voting another person's ballot.*

Paper or Plastic?

- Voters in Arizona can register to vote using:
 - Paper Arizona State registration form
 - Online Arizona State registration system
 - Paper Federal registration form
- Military & Overseas voters register using:
 - Federal Post Card Application (FPCA)
 - Federal Write-in Absentee Ballot (FWAB)

www.servicearizona.com

www.servicearizona.com

- Arizona was the first state to offer online voter registration in 2002.
- Applicants must have an Arizona drivers license or non-operating ID to use the system.

The screenshot shows the ServiceArizona website interface for voter registration. At the top, there are logos for ServiceArizona and ADOT (Arizona Department of Transportation). The main heading is "Voter Registration" with a checked checkbox. Below this is a section titled "Enter Personal Information" with instructions: "Please enter the following information to register to vote using EZ Voter Registration. The information you provide must match the information that is currently on your Arizona Driver License or Identification Card." It also states: "In order to complete an EZ Voter registration, you must have a valid Arizona driver license or non operating identification license issued pursuant to A.R.S. § 20-3165. By using EZ Voter Registration, your driver license or non operating identification license will be used for completion of your voter registration form." The form includes input fields for "First", "Middle", "Last", and "Suffix (none)", a "Date of Birth (MM/DD/YYYY)" field, and an "Arizona Driver License or Identification Card Number" field. There is a "Continue" button and a link for "What if I don't know my Driver License or Identification Card number?". At the bottom, there is a footer with "IBM" and "ibm | Security | Privacy Policy | User Survey | Contact Us".

The Basics:

- The four recognized parties in Arizona for 2014 are the Americans Elect, Democratic, Libertarian, and Republican Parties.
- Registrants *do not* have to select a party preference. If they fail to do so, or select a party other than one of the five recognized parties, *in the Primary Election they can select a ballot for the party of their choice*—this does not change how they are registered.

The Basics:

- Individuals in the naturalization process **CANNOT** register to vote until they have obtained citizenship status.
- Registering to vote when not a citizen jeopardizes the individuals chances to **EVER** become a US citizen.
- Executing a false registration is a Class 6 Felony.

Prop 200

- Prop 200 was a voter initiative passed in the General Election of 2004.
- It requires voters to provide proof of *CITIZENSHIP* to register to vote & proof of *IDENTITY* to vote at the polls on Election Day.
- Voters already registered were not required to re-register.

What has changed with Prop 200 for the Arizona State Registration Form?

- NEW registrants to Maricopa County must provide *proof* of citizenship on the State Registration Form.
- If a voter is registered in the county and is updating registration (with new name, address, political party, etc.) they DO NOT have to provide citizenship documentation.
- If the registrant is unsure if they are already registered, it is to their benefit to include the documentation in case they are not registered.

Proper *Citizenship Identification*: Numbers to provide

- Arizona Driver License **or** Non-operating Identification issued post 10/1/1996 **or**

- Bureau of Indian Affairs Number, Indian Census number, Tribal Treaty Card Number, or Tribal Enrollment Number **or**

- Alien Registration Number off of Naturalization Certificate **or**

Proper *Citizenship Identification:* Copies to provide

- Birth Certificate *or*
- Applicable pages of a United States Passport

Proper *Citizenship Identification:* Copies to provide

- a driver license or nonoperating license from another state within the United States if the license indicates that the applicant has provided satisfactory proof of citizenship
- the registrant's Bureau of Indian Affairs Card Number, Tribal Treaty Card Number, Tribal Enrollment Number, or Census Number

To date, Hawaii
is the only state
we are aware of

Letters are sent in Federal Elections only

Dear Voter,

You have successfully registered to vote in elections for Federal office. By registering to vote using a Federal Voter Registration Form without providing sufficient evidence of citizenship, you are only eligible to vote in Federal elections. In the 2014 primary and general elections, for example, you will only be eligible to vote in Congressional elections

To be eligible to vote in state and local elections, Arizona law requires that you submit sufficient evidence of citizenship with your completed voter registration form. If you would like to register to vote in state and local elections by proving citizenship, you may do so by sending a completed voter registration form listing your Arizona Driver's License/Non-operating ID number, a Tribal ID number, or a Naturalization A-number. This registration may be done online by visiting www.servicearizona.com, or by submitting the completed form in person or by mail to:

Maricopa County Recorder
111 S. Third Ave.
Phoenix, AZ 85003 online

If you do not have an Arizona Driver's License or Non-operating ID number, you may submit a completed voter registration form with a copy of a birth certificate or applicable pages of a United States passport.

If you have any questions please call 602-506-1511.

Dear Voter,

Because you submitted a registration request using a FEDERAL VOTER REGISTRATION FORM and did not provide information that would allow us to validate your identity (e.g. Arizona driver's license number, verifiable social security number, etc.), you are then required, by Federal law, to vote in-person in order to prove identity. Once your identity is proven, your record will be fully activated for all future elections.

In order to vote in the upcoming [REDACTED] **PRIMARY ELECTION**, you must appear in-person to vote. This can be done at any early voting site beginning Thursday, February 14, 2013 through Friday, March 8, 2013 (during normal business hours). For more info on in-person early voting hours and locations, please call 602-506-1511 or visit us online at: www.recorder.maricopa.gov

In-person voting can also be done on Election Day (March 12, 2013) from 6am to 7pm at the location noted below. To receive a standard ballot on Election Day, you will need to prove identity. To prove identity, you can present one (1) form of PHOTO ID such as valid Arizona driver's license or provide two (2) forms of NON-PHOTO ID such as this Recorder's Certificate, along with a utility bill, bank statement, vehicle registration, etc. For a full list of valid ID's that can be used or if you have any questions, please call 602-506-1511 or visit us online at: www.recorder.maricopa.gov

BOARD WORKER (POLLING PLACE - ELECTION DAY) INSTRUCTIONS: If the voter provides valid proof of identity (ONE photo ID or TWO alternate ID's), add this voter as the next consecutive number in the Signature Roster and place this page in the front of the Roster. The voter votes a standard ballot if they have one other form of identification from List 1 OR List 2 with this address on it, if not, then they will vote a provisional ballot. Use the "Ballot Header Info" above to determine party and ballot stripe color if applicable for the election and your precinct. If you have any questions, please call the Hotline number.

 - b. Last four digits of your Social Security Number

- Can remedy their status by:
 - Registering using an Arizona form
 - Registering using Service Arizona/EZVoter
 - Registering using a Federal form
 - Vote a provisional ballot
 - *IF they provide:*
 - *AZ driver's license or non-operating ID number*
 - *Tribal ID number*
 - *Naturalization number*

29 days before Election Day to get the full ballot

Completion of the Form:

- Be sure that the required fields are populated and that the voter has signed and dated the form.
- The more information that the voter fills in the better—we have over 2.2 million voters and we use the information to tell them apart!
- Give the voter the white copy or Voter Receipt.
- Do not hold forms! **Failure to do so may potentially disenfranchise the voter.**

Turning in the Forms

- When forms are turned in you will be asked to provide the following:
 - Your name and contact information
 - A photo ID
- Why?
 - The forms you turn in will be assigned a batch identification number.
 - We track the source of forms so that if there are any issues we know where the forms came from.
 - Organizations abusing the voting public by holding forms and/or modifying the face of the forms without the voter's consent will be turned over to the County Attorney's office for investigation.

Turning in the Forms

- When you turn in forms you will be able to get other forms at that time.
- Forms are distributed in lots of 200.
- If you make copies or print them off online the voter does not get a copy for their records.
- If you have a large event and think that you may need more than 200 it may be possible to make a special accommodation.

Resolution of Insufficient Registrations:

Insufficient Registrations received by the department are sent :

- A letter informing the registrant what issue they need to resolve.
- A new voter registration form.
- A business reply mail envelope.

- The registrant has until 7 PM on Election Day to provide correct information.
- The registration form retains the original date.

Insufficient forms:

- If citizenship information is missing on the state form the form is rejected completely.
- The registrant would have to completely re-register and provide the necessary information.
- It is imperative to the voter that they are filled out correctly.

Insufficient forms:

- If identification information is missing on the federal form the form the information is keyed into the system.
- If the voter is not identified via the data exchange with SOS & MVD then the voter is put on suspense and sent a letter requesting more information.
- It is imperative to the voter that they are filled out correctly.

Petitions

- Signatures gathered at the same time that the voter registers to vote will be invalidated if the registrant does not provide sufficient information to become registered.

How does the voter know they are registered?

- Voters will receive a Voter ID card 3-6 weeks after their registration is received (time varies depending on volume of forms being processed).
- Voters should verify that all the information is correct and contact MCED if it is not.
